

We need **YOU** to become our Ministry Partner

Please prayerfully consider becoming our Ministry Partner. We cannot do God's kingdom building work without the prayers and regular financial support of faithful partners. Your monthly donation as a Ministry Partner will go to the area of ministry with the greatest need.

- ✓ Choose a giving level that is comfortable for your budget.
- ✓ Choose the method of monthly giving.
 - ✓ Set up giving online by credit card on our website
 - or-
 - ✓ Set up donations by monthly bank draft with your bank
 - or-
 - ✓ Contact Predisan to set up automatic withdrawals from your bank
- ✓ Choose your gift. We desire to thank you with a token gift of appreciation that will also be a source of strength and encouragement to you in your walk with Christ.

Please make a selection from the options available on the reverse side. Mail this response card to **PREDISAN** or email krhodes@predisan.org to let us know your desire to partner with us as we **Proclaim Jesus and Heal Lives.**

We have several special gift options for our MINISTRY PARTNERS

You may choose a gift in your monthly donation amount or a lesser value gift if you like. Each gift is meant to thank you and be a source of spiritual encouragement to you.
